📄	package.json	Oops, don't commit API keys kids	7 days ago
📄	server.js	Oops, don't commit API keys kids	7 days ago

Reflection

- Lessons Learned/Challenges
  - Extensively research before making requirements
  - How to build software in a team setting
  - The extreme importance of version control
  - Pulling youtube songs into a database
  - Working with the YouTube API
  - Building UI with Preact and html

Demonstration
